As a courtesy to our customers, we have a business card directory on our website, [flatlandssupply.com](http://flatlandssupply.com). We post contact information for independent contractors & small businesses to assist potential customers searching online for someone to perform a certain type of job associated with the types of products that we sell. The directory is divided into sections by type of service. Essentially, it's free advertising by adding your business card to our website.

We can add a link to your website, if you have one. We would appreciate a reciprocating link to our website from yours.

**We have the following disclaimer on the business card directory page:** "We support our customers who are independent contractors & small businesses. Please check our listings if you are in need of a service that one of them may offer. Some contractors offer a variety of services. We encourage you to browse through all of the listings below to see all businesses offering the service that you need. Any reputable contractor should be glad to provide references. Don't hesitate to ask for AND verify references. Flat Lands Supply in no way endorses or recommends any business listed and is not responsible for any work performed. We reserve the right to deny any application or remove any listing at any time." **This, in essence, means that we are glad to help you promote your business, but we are not prepared to take on any responsibility for the workmanship of any listed business.**

Feel free to let us know if any of your customers found you through our website. We are also interested in any comments or suggestions you have about our website.

Please contact us if any information in your listing changes, we want to have current and correct information.

If you agree to the above terms and wish to participate, please fill out this portion of the form, sign, date, and return to us.  
PLEASE PRINT LEGIBLY.

You may attach a business card instead of, or in addition to, filling out the form. Regardless, please sign & date at the bottom. We will ONLY add the listing with your written consent. With your permission, we will also scan your business card and place its image with your listing.
